## WHY?

- Transformative SCM Curriculum - Upskill your employees with top notch training and practice
- Career Advancement - Credential holders will become affiliates of the MIT Alumni Association
- Academic Advancement - Successful completion of the program can earn credit at 40+ universities worldwide, including MIT SCM Master's Program

## LEARNER QUOTE

**Paul Smith**  
International  
Markets QSC  
Head,  
Haleon

"I am really pleased to sponsor our Haleon employees to participate in MITx MicroMasters Programs<sup>®</sup> with MIT, helping to create a new focus on building, maintaining, and innovating our supply chain capabilities and skills. These programs provide a foundation for our collective learning and offer individuals a modular approach. The program not only culminates in a certification recognized by industry, but result in credit at MIT, and dozens of other universities around the world, for those who want to go further by applying to master's programs."
